Reasons for comment: - Highway Safety
- Visual Amenity

Comments: Highways Safety
Whilst the Town Council welcome the preservation of any buildings of local significance through development, it would also ask the planning authority to ensure appropriate parking provision is made for any residential development.

Highways Safety & Visual Amenity
Furthermore the elected members of the Council are aware of issues in relation to bin storage and collection in Atherton Street in general and again would ask the planning authority to be mindful of such issues and ensure that appropriate bin storage is provided within the development.
