Our Living History sessions are historical interactive workshops that can be delivered at your school, for Foundation Stage through to Key Stage 2 classes. We can also deliver our sessions in informal learning settings.

Our approach brings history to life through engaging, entertaining, educating and FUN! We can offer exciting sessions in the following areas: 'The Victorians', 'First World War', 'Evacuee', 'Vikings', 'Saxons', 'Roman Britain', 'Tudors', 'Prehistory' and new for 2015 'Toys through Time'.

The Living History outreach programme for primary schools is delivered in partnership with Big Heritage, an award winning heritage-based social enterprise engaging museums, schools and communities with the past.
