THIS IS A PUBLIC SAFETY ANNOUNCEMENT

MINISTRY OF SCIENCE LIVE

is not your ordinary science show.

It comes with a **BANG**.

It comes with a **WHOOSH**.

But most of all it comes with a

HOVERCRAFT built on stage...

Oh, and a **HUMAN CANNON** too!

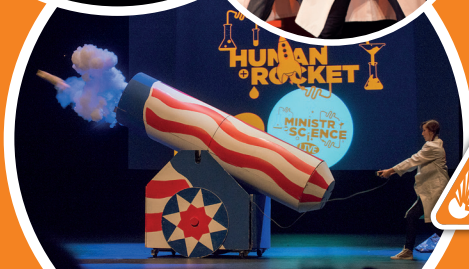

This **EXPLOSIVE** production is a

BRILLIANTLY ENTERTAINING approach to science

education, whilst looking at the inventors and

engineers who have shaped and inspired the modern world that we live in.

Join the team and the voiceover from above (*X Factor's Peter Dickson*) as they take you on a journey using demonstrations and a few **LOUD BANGS** to lead the way.
