Prescot Museum exists to inform and inspire by preserving, promoting and providing access to the cultural heritage of Knowsley through our local history collection, museum displays and educational and outreach programme. We provide a window on the world through our exhibitions and openly encourage visitor interaction in all that we do.

Wherever you see the 'Cog Family' characters in and around the Museum, there will be family-friendly activities to do!

Museum opening times: Monday to Friday from 9am to 5pm, and Saturdays from 10am to 3.30pm
