Dear Jennifer

Time for Caring

Thank you for choosing Willowbrook Hospice to receive your very kind donation of £1000.00 from the Mayor's charity fund.

This is much appreciated and will help us to support our patients and their families.

As you know Willowbrook Hospice is a local charity, offering specialist care to local people who have cancer and other life-limiting illnesses such as motor neurone disease. We help people in many ways to live their lives in the best and most comfortable way possible, offering in-patient services, physiotherapy, occupational therapy, medical appointments as well as emotional and physical support.

Donations like yours are essential to fund our work, as we do not charge for our services. It costs nearly £4.5 million each year, or over £11000 per day to run the hospice.

Thank you for taking the time for caring.

Kind regards

Diane Swann
