## **Meet Your Councillors Day**

**Monday the 3<sup>rd</sup> June Prescot Town Hall 10am and 7pm.**

As you may be aware Prescot Town Council has recently been through its four year election cycle, under which the entire Council is elected. This cycle has seen some considerable changes with a total of seven new individuals elected to serve as Councillors for the next four years, together with a number of returning Councillors.

All of the Town Councillors are keen to engage with residents and fulfil their promises to effectively represent your views at Council and understand if there are any particular issues that they can help with. To help them achieve this they will be holding a **Meet Your Councillors Day on Monday the 3<sup>rd</sup> June at Prescot Town Hall between 10am and 7pm**. Representatives for Council each ward will be available throughout the day to chat and discuss any issues that you need support with, or even to answer questions about their role as Town Councillors and the role of the Town Council. This is a drop in session so there is no need to book in advance, simply attend the Town Hall to take part.

We look forward to meeting you, the Elected Members of Prescot Town Council.
