

# COVID-19 rules

## - what Knowsley residents need to know

Households / support bubbles must not mix with other households within private homes or gardens.

You are not be allowed to mix with people outside of your household / support bubble in ANY indoor setting – including pubs and restaurants

You cannot meet up outdoors with any more than 6 people in total and these should be from no more than only 2 households.

You must wear a face covering in shops, on public transport, in hospital settings, retail and hospitality premises and in taxis.

You shouldn't attend professional or amateur sporting events as spectators.

You should only travel if is essential (such as going to / from school or work).

Pubs, bars and restaurants must be closed by 10pm (and open no earlier than 5am)

Takeaways must close their premises to the public at 10pm but they can still deliver after this time.

Pubs / restaurants / cafes must operate a table only service.

Care home visiting is not permitted (unless in exceptional circumstances).

It's a legal obligation for businesses in retail, tourism and leisure to follow Covid-secure guideline
