

Prescot Town Council

Floreat Prescotia

Annual Report 2020

Prescot Town Mayor and Consort
Councillor Pat Cook & Phil Cook

Serving as the Mayor of Prescot has been a great privilege and wonderful honour alongside my husband Phil, family, friends and volunteers as my consorts.

Over the past year I have had the privilege to meet many volunteers who provide a whole range of services and make Prescot a special place to live in. I have also been invited to a whole host of engagements starting with our own Prescot Community Recognition Awards which were great, opened numerous new businesses, visited nursing homes, schools, scout groups, judged competitions, attend the Prescot Festival and our own Prescot Carnival, had the privilege of laying a wreath on remembrance Sunday and attended the Mayors Charity Christmas Carol Concert.

I would like to thank the staff from the Town Council, my fellow councillors and each

and everyone of you for your help and support. The last couple of months have been challenging for us all, but I feel so proud of our community and key workers pulling together to help each other.

Throughout my year in office I have been raising money for my charity, unfortunately lockdown has meant that some fund raising events had to be cancelled, but I am delighted to have managed to raise £5,200 which will now be split between the following local organisations:

| | |
|---|------|
| Willowbrook Hospice | £500 |
| Prescot Festival | £500 |
| Al's Arc | £500 |
| Coming Together Group | £500 |
| Evelyn Community Primary School - Children's School Council | £200 |
| Our Lady's Catholic Primary School - Children's School Council | £200 |
| St Mary & St Paul's C of E Primary School - Children's School Council | £200 |
| St Luke's Primary School - Children's School Council | £200 |
| Prescot Primary School - Children's School Council | £200 |
| Friends of Eaton Street Park | £200 |
| Friends of KGV Browns Field & Carr Lane Woods | £200 |
| Friends of Prescot Cemetery & Churchyard | £200 |
| SHARe Knowsley | £200 |
| 1st Whiston Scouts | £200 |
| 1st Prescot Brownies | £200 |
| Prescot Cadets | £200 |
| Imaginarium Youth Theatre | £200 |
| St Mary's Coffee Morning | £200 |
| Never Be Lonely Again | £200 |
| Prescot Cables Junior Football Team | £200 |

Town Clerk's Report

I am writing this year's report in the midst of the COVID -19 global pandemic, something I hadn't envisaged having to do. Obviously, this unforeseen global catastrophe will have had a significant impact on many of our lives and this has certainly been the case for all of us here at the Town Council, staff and elected members alike. Social distancing requirements have had a huge impact on the way we operate and the services we provide. Unfortunately, we have had to close the Town Hall to visitors, cancel a number of events including the Prescott Carnival and Community Recognition Awards and even put up notices to close playgrounds which as someone who was once responsible for installing new playgrounds was an odd experience to say the least. This pandemic has also come at a time when Prescott was enjoying the momentum of change with new leisure and retail offers coming online to compliment the established offer. Like many other organisations we have now become familiar with online meetings, but a return to our usual operations will be very welcome. Once again, I have been particularly proud of the response the Town Council have shown in the face of the adversity and the COVID -19 threat. This Town Council was proactive in its response with staff and elected members changing the way they operate to develop our Isolation Support Scheme within a day of lockdown taking effect. The level of support offered from our residents has also reassured my belief that Prescott is truly a brilliant place to live with people who will go out of their way to help somebody else whom they have never even met. It's things like this that provide me the confidence that Prescott will bounce back and go on to the next chapter of its continually enthralling history.

Daniel Wilson - Town Clerk - Prescott Town Council

I am very proud to have served as the Leader of Prescot Town Council this year. From the outset all of the councillors agreed to set aside party politics and work together for the greater good of the town and community we represent, pro-actively planning and delivering initiatives to meet our aims. I am very proud to be able to say that 12 months on we have made considerable inroads to achieving these aims. This has been made possible by the commitment and effort shown by my fellow councillors (see page 9), along with the continued support of our dedicated, hardworking team of staff. Some of the changes and additions we have made this year have been listed below.

1. We refocused the 'Mayor Making' Event to place greater emphasis on the community and this event has now become the Prescot Community Recognition Awards with Cllrs physically organising the food and venue to validate the hard work of our Community Groups, every group we were aware of was invited.
2. We organised and delivered the Prescot Carnival on Browns Field adding even more free attractions.
3. We organised a new 100% free Christmas Event in the Town Centre with rides, refreshments, entertainment and 20 Disney Characters.
4. We are very proud of our new Local Democracy Programme aimed at all Prescot Primary Schools. Children learn how a council works and have the opportunity to role play a council meeting and work with the Mayor, Town Clerk and Cllrs.
5. We supported people who would have been alone or isolated on Christmas Day by providing the venue for 'Prescot Mission Christmas Dinner Group' to provide Dinner, company and entertainment.
6. We set up a hugely successful School Uniform Recycling Scheme, collecting, washing, ironing, sewing on missing buttons and making good items of school uniform and then organised a private appointment system for families to browse, select and collect.
7. In April we were pro-active and set up a Self-Isolation Support Scheme providing and delivering basic boxes of food and provisions to support our community in financial hardship as a consequence.
8. Prescot Town Council Green Party and Liberal Democrat Councillors have offered surgeries every two weeks at the Town Hall and been involved in regular case work.
9. We supported Friends of Eaton Street Park's Free Lunch and Activity School Holiday Sessions when the weather meant they couldn't hold them in the park, stepping in to offer the venue.

I would like to Thank everyone involved who has made the past year so successful. The year ahead will involve a lot of thinking outside the box but I am confident we will find a way to grow and deliver to our community.

Cllr Joanne Burke - Leader Prescot Town Council

Prescot Town Council Events Program

Over the last three years the Town Council has steadily built up a diverse events programme. All of our events are organised paid for, delivered and staffed by the Town Council.

| EVENT | LOCATION | ACTIVITIES | MONTH |
|--|--|---|---|
| Community Recognition Awards and Mayor Making | Town Hall | The community recognition awards were introduced to celebrate the contributions and achievements of community groups and individuals to the town. This event is run in conjunction with the Annual Mayor Making Event, where the outgoing Mayor makes donations to various local organisations. | May/June |
| Prescot Carnival The only event of its kind in Knowsley | Brown's Field, Wood Lane. | Large Fun Fair, a wide array of free activities such as bouncy castles, reptile workshops, cage football, soft play Variety performances, and traders stalls. | June |
| Armistice Day Service | BICC Memorial Prescot Cemetery, Manchester Road. | Memorial Service for local residents, supported by St Mary's Church, Our Lady Immaculate Church, and The Friends of Prescot Cemetery and Churchyard and local schools. | November |
| Prescot Christmas Cracker Replaces the Christmas Light Switch On | Church Street / Eccleston Street | This new event replaces the Christmas Light Switch On that was taken by Knowsley Council. The event is completely free and includes DJ Roadshow, Children's Fair Ground rides, community stalls, catering tent and of course a good bit of snow. | Last weekend in November or first in December |

For further information on the events programme please contact the Town Council on 0151 426 3933 or email enquiries@prescot-tc.gov.uk

Community Governance Review

Following the Community Governance Review of 2018 the Town was split into two electoral wards, Prescott North and Prescott South. This warding arrangement follows that of Knowsley Metropolitan Borough Council, the principle authority in Knowsley.

Prescot Town Council Annual Financial Report

After suffering five years of successive funding cuts the Town Council are now starting see some benefit from the increase in the town's housing stock. This is largely due to the development of the old BICC site on Manchester Road/ Hall Lane, which is widely accepted as a great use of a former brownfield site. Unfortunately, the increase in housing stock or tax base as it is also known has not fully offset the loss suffered as a result of the Council Tax Support Grant being scrapped. As such the tax base is still 168 band a properties less than it was in 2012-13. This years precept was set in January and has seen an annual increase of 4.88% or £2.75 on a band a property. This increase was required to meet financial obligations for capital maintenance on the two parks leased by the Town Council from Knowsley Council. This additional cost is roughly £14,000 per year and includes things like boundary walls, fences, play grounds and bins etc. This means that the 2020-21 precept on band a property is now £59.10 a year or £1.14 per week. The annual budget continues to make provision for a range of services the Town Council deliver including the maintenance and development of the Town's two largest public open spaces at Eaton Street Park and Browns Field, provision of the Town Hall as community hub serving the needs of residents across the Town, the largest events programme of all Town Councils in the borough, including the Prescot Carnival and Christmas Cracker and the provision of financial support to local community organisations. Each year the Town Council's accounts are prepared by the Town Clerk and scrutinised by both an Internal and External audit to ensure they comply with current legislation. Copies of the Accounts are available by request (chargeable) or free from the Council's web-site www.prescot-tc.gov.uk

Everyone
in Prescot

talking to
each other

Prescot Loves To Talk is a concept created by

Evelyn
C.P
School

who then
chatted to

ICAN
children's
communication
charity

who then
chatted to

Knowsley
Council

We want to encourage chat and communication at every opportunity in Prescot. We want to make Prescot the place where talk is everywhere, where everyone chats.

What we want to achieve

- Prescott to be 'the best it can be' when it comes to talking to each other
- Encourage everyone from 0-100 to benefit from or contribute to talking
- To realise the potential for talk in all places, within our organisations and homes

Why do we need to talk?

- English is a beautiful language with lots of linguistic possibilities. It has been shaped by Shakespeare and many other wonderful writers and speakers.
- To help us argue our case, discuss, explain, inform, instruct, express ourselves and talk about what has happened. To do this we need to adapt our speech according to the audience, purpose and context
- To understand ourselves, our lives and make our way successfully in the world.
- Talking is important for everyone

Children

Did you know?

- Children with poor early language at age five are four times more likely to struggle with reading at age 11 and succeeding at GCSE
- Children with poor vocabulary skills are twice as likely to be unemployed when they reach adulthood.

Adults

- Speech allows you to connect with others
- A wide vocabulary can help you get a good job, by widening your options
- If you can articulate your ideas, it helps reduce frustration, eg. trying to persuade or explain something to others

Families

- Talking and listening makes for healthy family relationships
- Talking and listening to your child improves your bond with them
- Talking forms relationships and builds self esteem
- Talking about your emotions makes you feel better and you can find out how others feel
- You can respond to someone in a sensitive way to good news, as well as sadness or fear
- If you talk to your child when they are young, it will be easier to talk to them as a teenager

You can have brilliant ideas, but if you can't get them across, your ideas won't get you anywhere

To get involved just chat

New This Year - School Uniform Recycling

This project was proposed by the Leader of the Council in May 2019 and received unilateral backing from the Council. The project aimed to reduce the amount of material going to land fill and ease the all too often unnecessary financial burden placed on families during the start of each new school year. The vast majority of school uniforms, bags, pumps, shoes etc, are in perfectly good condition so the idea of throwing them away when they could be reused makes no sense. Uniforms were dropped off at the Town Hall before being washed, ironed and sorted by volunteers (many of whom were elected members). Individual appointments were then made for families to attend the Town Hall and select the garments they needed. Ultimately this project supported over 200 families with 1,640 garments and saved almost half a tonne (437kg) of material going to landfill. As the project was run by volunteers there was no cost to the Town Council and indeed it unanimously agreed to continue the project in the future.

Community Recognition Awards

Although the Town Council has a long history of recognising and supporting the incredible contributions made by our community groups and organisations, this year the emphasis moved even further towards the groups as the Town Councillors were busy in the preparation and serving of refreshments at the event. Representatives from eighteen Prescot based community groups and organisations were able to attend the event. We hope we were able to include all our groups, but if your group was overlooked please let us know.

Local Democracy Project

During the 2019 summer holidays the Town Council were approached by staff at Yates Court to see if we could help to provide some engaging activities for their younger residents. An initial programme was quickly developed and delivered by staff, elected members and the Mayor. Such was the popularity of programme for all involved it was an easy decision to develop the programme further and engage with as many local children as possible. The Town Clerk worked closely with staff at Evelyn Primary School to develop a one day programme that met the Town Councils aspirations for the project whilst also being relevant to schools curriculum and fun for the children to take part in. Unfortunately, we were only able to run one session before the advent of COVID -19. The initial session was really well received by all involved, both children and adults alike. The programme focuses on the main individual roles within the Town Council and how they come together to deliver democracy within the Town. We can't wait to get the programme rolled out to all our primary schools and hopefully this will become a mainstay of local education for many generations to come.

Christmas Cracker Event

Unfortunately, after having stepped into save Christmas Lights in Prescot in 2012, the Town Council were forced out of the event this year. However, the money that was usually spent on providing the lights and the switch on event was redirected to our new Christmas Cracker Event. This new event was completely free of charge and included a host of new attractions such as Rodeo Rudolf, Disney Characters, Superhero's, Snow board simulator, performances from local artists and groups and even guaranteed snow. Look out for this free event again next year.

COVID -19

The control measures taken to stem the outbreak of this pandemic have been nothing short of unprecedented.

Prescot Town Council was one of the first organisations in the area to act. Whilst the shelves were bare and other local organisations waited for direction from central government or spent time gathering information, officers and elected members of Prescot Town Council took pragmatic and proactive steps to develop a working solution and address the matter in hand.

Initially the Town Council launched a Self-Isolation Support Scheme that was aimed at those who could not access food either as a result of not having the means to order on line, not being able to leave the house through isolation or as a result of loss of income due to the impact the COVID situation had had on their employment. Links were forged with food wholesalers and orders placed for items that comprised a basic food package to sustain a family for a short period of time. Donations of food soon poured in from local residents along with offers to provide voluntary support for delivery of food parcels.

By the end of the first two weeks of lockdown and at the time of writing we have been able to help 48 residents.

The Town Council would like to thank everyone who had donated or volunteered so far, this is what makes Prescot Great!!

If you or someone you know needs support please let us know.

PRESCOT TOWN COUNCIL

enquiries@prescot-tc.gov.uk or 0151426 3933

Self-isolation Support Scheme

This scheme has been developed to support individuals and families who are self-isolating to help prevent the spread of Coronavirus.

Stocks are low therefore we ask that you only use this service if you are genuinely in need of support. You can also donate towards the scheme using this form.

| Mark as appropriate | |

We aim to respond as soon as possible but have limited staff resources, therefore do not be alarmed if your response takes time, particularly over the weekend, we **will** respond to your enquiry.

Prescot Town Council Community Fund

The Community Fund is administered under the Council's legal powers and invites applications from all active community organisations operating in the Township of Prescot for the benefit of Prescot residents. Applicants can request up to £500 in support of their organisations project or activities provided they can demonstrate they are:

- Not for profit and meet the grant criteria
- The organisations project or activities are of clear benefit to the residents of Prescot

For more information on how to apply visit the Town Council website www.prescot-tc.gov.uk

The Town Council are proud that they have been able to support all the applications that have been made this year, listed over leaf, in addition to this support we have also been able to retain our annual support to the maintenance of the Town Clock on St Mary's Church, the Prescot Festival and sponsorship of the shuttle bus to the Knowsley Flower Show allowing residents to visit the show free of charge.

| GROUP/ORGANISATION | AMOUNT | PURPOSE |
|----------------------------------|---------------|---|
| Imaginarium Theatre UK | £500.00 | Contribution towards Romeo & Juliet Workshops |
| HME Residents | £500.00 | Materials for Mastectomy Cushions |
| Prescot 2 Ladies Bowling Team | £499.92 | Bowling Equipment for Outreach Project |
| MALS Merseyside | £480.00 | Contribution towards Child Criminal Exploitation Mentoring |
| Prescot Historic Society | £200.00 | Contribution towards Speakers for Monthly Meetings |
| 1st Whiston Scout Group | £496.50 | Contribution towards Archery Equipment |
| One Knowsley | £500.00 | Contribution towards SNAP Activities - Eaton Street Park |
| Innovate Volunteering | £360.00 | Contribution towards activities for Bryer Road Fun Day |
| Berkley JFC | £500.00 | Contribution towards the purchase of a Ride on Mower |
| Prescot Army Cadets | £480.00 | Contribution towards Fieldcraft Equipment |
| Prescot Hockey Club | £500.00 | Contribution towards Youth Hockey Kit |
| St Pauls Church | £500.00 | Contribution towards cost weekly Coffee Morning |
| Molyneux Drive Allotment Society | £499.40 | Contribution towards Gardening equipment |
| Friends of Eaton Street Park | £500.00 | Contribution towards Mosaic wall artwork initiative and installation |
| Prescot Loves to Talk | £494.00 | Contribution towards promotional materials |
| Prescot's Got Talent | £300.00 | Contribution towards Sound system and engineer for event |
| Prescot Mission Christmas | £492.01 | Contribution towards crockery for Christmas Day Lunch |
| KMBC | £1000.00 | Sponsorship for the Elizabethan Fayre |
| KMBC | £220.00 | Part sponsorship of Whiston/Prescot shuttlebus at Knowsley Flower Show 2019 |

Greenspace

The Town Council currently hold 99-year leases on King George V Playing Fields Prescott (known locally as Brown's Field) and Eaton Street Recreation Ground which date back to 1991. These leases make the Town Council responsible for the day to day maintenance of the sites and the boundary walls, fences and gates. There are two other recognised greenspaces in the Town at Carr Lane (across the road from Brown's Field) and Prescott Cemetery and Churchyard. These spaces are not under lease and are maintained and managed by Knowsley Council.

The sites are quite distinct and have varied histories, with one having been split into a water works and allotment at one point whilst the other was home to a pitch and put course but both have evolved over time and each site now offers something for everyone.

Prescot people are very supportive and passionate about their greenspaces each of the four greenspaces sites benefit from Friends of Groups who contribute to the upkeep of the parks and provide their own events throughout the year. The Friends Groups provide such events such as the Party in the Park at Eaton Street and the Spooky Halloween Walk at Brown's Field and Carr Lane Woods are really popular.

General parks maintenance is carried out by Glendale and includes litter picking and emptying of bins three times per week, all grass cutting and hand mowing, maintenance of shrub beds, hedges etc at an annual cost of around £26,000.

Brown's Field

Brown's Field is the largest public open space in Prescot. The park has play facilities for toddlers to 13 years, an 11 a side a 9 a side a 7 a side and a 5 a side grass pitches. The size of the park means it is very popular with dog walkers and it also plays host to the Prescot Carnival the biggest event of its type in Knowsley with many of the attractions being provided free of charge.

The Friends group meet every Saturday morning rain or shine have also been instrumental in communicating the strength of local feeling for the preservation of our parks and open space. You can contact the friends via email friendskgvclw@gmail.com

During the year the Town Council and the Friends have worked together to install new bins, benches and notice boards. Knowsley Council will also be using the park to link up to the emerging sus trans cycle route between Prescot and Cronton. This will see the replacement of the existing footpath along the Carr Lane side of the park with a new cycle way and some new trees.

Resident Football Club Berkely Juniors AFC also help to ensure the site is still being used as a King George V Memorial Playing Field one of many such sites across the country. The club operate eight teams ranging from under 7s to under 13s and are responsible for pitch maintenance. The Club's philosophy of focusing on the enjoyment of playing the game rather than the need to win is truly fundamental to the type of activities we want to see on our parks.

If you are interested in joining a team why not visit their website <https://berkleyjfc.teamapp.com/>

Eaton Street Park

Eaton Street Park is the second of the Town's parks to be maintained by the Town Council. Located on Eaton Street next to Prescot Cables, Eaton Street is one of two public open spaces in the town to hold a prestigious 'Green Flag Award' with the other being Prescot Cemetery and Churchyard.

Eaton Street Park also has play facilities for toddler to 13 years a large open area of grass, formal rose gardens, bowling green and pavilion and a natural area at the rear of the site.

The Friends of Eaton Street Park celebrated their 10th birthday recently and have supported the Town Council to attract considerable external funding to the park.

The Friends meet every Sunday afternoon when they serve Tea, Coffee and other refreshments from the Pavilion. This year the group have continued to run holiday activities on site, you can check out their activities on facebook

<https://www.facebook.com/Friends-of-Eaton-Street-Park-Prescot-aka-Precy-Rec-162812667103495/>

The most recent addition to the park has been the mural along the boundary wall with Prescott Cables, previously white before that plain concrete wall is now alive with colour adding to the welcoming aspect of the site.

Eaton Street Pavilion

Much like the Town Hall, Eaton Street Pavilion is also available to hire and may well be a good place for your children's parties or similar type events the bowling green provides a great space for a bouncy castle.

The pavilion is fully accessible with a kitchenette and single accessible toilet. Contact the Town Council to find out more.

Whats On At Your Town Hall

Prescot Town Hall continues to fulfil its purpose in meeting the needs of the community. The Town Hall provides a range of facilities for business and community use including:-

- A multi-purpose room for group activities and private functions
- A licensed bar and kitchen facility
- Accessibility for all including enhanced disabled facilities and an accessibility lift
- Conference rooms available for public use
- Small meeting room available for public use
- A secure car park to serve users of the building

Please see the most current list of activities that is taking place in the Town Hall.

For more information on how to book the facilities at the Town Hall please call us on 0151 426 3933, email us at enquiries@prescot-tc.gov.uk or visit the Town Council website to download the booking form and check the online calendar on our facilities page at www.prescot-tc.gov.uk
