### Comments Details

Commenter Type: Representative

---

Stance: Customer objects to the Planning Application

---

Reasons for comment: - Highway Safety

Comments: Prescot Town Council object to the planning application on the grounds of highway safety and in particular:-

Concerns of highway and public safety with vehicles accessing the property as it is at the junction of busy traffic lights.

Concerns of the effect on historical features and conservation issues.

Concerns that on the plans the grassed areas look a lot bigger than the dimensions of the property itself.
